Title:  
Title: NARRATIVE  
Facts:

On Wednesday, July 12, 2107 at about 1730 hours, I (Officer [REDACTED] #6490) was working in full police uniform, assigned to a marked black and white police vehicle for the City of San Fernando Police Department. Officer Simonzad # 10337 and Sgt [REDACTED] #10054 were also on duty, in full police uniform assigned to their individual black and white police units

Officer Simonzad and I were dispatched to [REDACTED] Foothill Boulevard (Taco Bell) regarding a suspect who had assaulted another person. The suspect was supposed to be in the area between [REDACTED] Foothill Blvd and (Taco Bell) and [REDACTED] Foothill Blvd. (El Pollo Loco). The caller indicated that the suspect was walking around holding a large sharpened wooden stick. The suspect was described as male, Hispanic, 20-30 years of age, 6-0 feet tall, thin build and dark skinned. He was wearing a tan or grey sun hat, black cutoff T-shirt and plaid shorts. He was also carrying a black backpack. While units responded to the call, dispatch updated us on the suspect's location and advised that the suspect was last seen southbound through the parking lot, east of Sam's Club (12920 Foothill Blvd) and out of sight.

Upon arrival, I waited on Foothill Boulevard, east of the Pacoima Wash Bridge until the other units arrived on scene. Sgt. [REDACTED] advised via radio, that he and Officer Simonzad were on Arroyo Ave en-route to the location. Sgt. [REDACTED] then asked for the suspect's description, which dispatch repeated. Sgt. [REDACTED] indicated that the suspect was walking eastbound on Eighth St from Arroyo Avenue. Sgt. [REDACTED] then broadcasted that the suspect was not complying with his orders to stop. Officer Simonzad arrived to assist Sgt. [REDACTED] and they attempted to contact the suspect. The suspect continued to refuse to comply and fled from Officers, a short foot pursuit ensued northbound from Dronfield Ave, in the walkway between [REDACTED] Arroyo Avenue and [REDACTED] Corcoran Place. As I was arriving on scene to assist, I heard one gun shot. Officer Simonzad then broadcasted, "Shots fired!" indicating that an Officer Involved Shooting (OIS) Occurred. The suspect was found to the rear of [REDACTED] Corcoran Place. The area was immediately contained and once it was rendered safe, the Los Angeles Fire Department, responded to the scene and treated the suspect. The suspect was taken into custody and transported to Providence Holy Cross where he was admitted for further treatment. Officer [REDACTED] rode in the ambulance with the suspect to the hospital. The OIS scene was preserved until the Los Angeles County Sheriff's Homicide unit arrived on scene and took over the investigation.

Officers were assigned to his bedside awaiting an "OK to book" from the hospital staff so that he can be booked accordingly. The suspect was identified as [REDACTED] Jimenez.

Investigation: (The following consist of my follow up investigation of the reported incidents, involving the suspect leading up to the OIS):

At about 2100 hours, I contacted [REDACTED], who was the caller that initiated this incident. Because [REDACTED] was contacted via telephone, he verbally identified himself.

[REDACTED] said that he is a supervisor at [REDACTED], located at [REDACTED] Foothill Boulevard. He said

## INCIDENT REPORT - NARRATIVE

Agency Name: SFPD	ORI #: CA0196100	Report Date/Time: 7/12/2017 5:32:00 PM	OCA #: 17-1682
----------------------	---------------------	---	-------------------

that at about 1630 hours, he was asked by [REDACTED] a Loss Prevention Officer, if he had seen a male punch a customer by the lumber area [REDACTED] told him that he had not. [REDACTED] showed [REDACTED] surveillance footage of a male punching another male, inside the store, near the Lumber area. [REDACTED] said that [REDACTED] also told him that the suspect had punched an employee at Sam's Club earlier that afternoon [REDACTED] went to [REDACTED] at about 1730 hours for his lunch break. As he was walking in, he noticed a male (the suspect) walking out and recognized him from the surveillance footage as the suspect who punched another male inside The Home Depot. He also overheard employees from [REDACTED] talking about how the suspect had been inside the restaurant throwing water at people who were sitting down eating. [REDACTED] said that the suspect looked agitated and kept pacing between [REDACTED] and [REDACTED] and that he seemed to stare at people as if wanting to fight with them. [REDACTED] said that the suspect was carrying a large stick with a pointed end in his hand as he paced back and forth between the two businesses. Fearing that the suspect might hurt someone, [REDACTED] called 9-1-1 and let the dispatcher know what was happening. [REDACTED] watched the suspect as he walked southbound through the parking lot east of the Sam's Club (12920 Foothill Blvd) and out of sight. [REDACTED] described the suspect as male Hispanic, 20-30 years of age 6-0 feet tall thin build and dark skinned. He was wearing a tan or grey sun hat, black cutoff T-shirt and plaid shorts. He was also carrying a black back pack on his back and holding a large wooden stick with a sharpened end.

That same evening, I contacted the [REDACTED] and spoke with Manager [REDACTED]. Although he was working at 1730 hours, he did not see anything out of the ordinary in the restaurant, but was told about two other incidents that had occurred at the restaurant. I asked if any of his employees had seen anything out of the ordinary. [REDACTED] then handed the phone to [REDACTED] an employee.

[REDACTED] told me that on Wednesday, July 12, 2107, at about 1600 hours, [REDACTED] was arriving to work at [REDACTED] and ran into one of her previous managers, [REDACTED]. [REDACTED] said that [REDACTED] was dropping off something at the restaurant from another [REDACTED] restaurant. [REDACTED] and [REDACTED] spoke for a little bit and were about two car lengths away from [REDACTED] vehicle. [REDACTED] said that she noticed a male (the suspect) get into [REDACTED] vehicle and sit in the front passenger seat. [REDACTED] and [REDACTED] both yelled at the suspect to get out and he immediately did so, but began demanding that [REDACTED] recite her license plate number to him to make sure the vehicle belonged to her. [REDACTED] and another male employee (unknown) walked toward the suspect, who then started to walk away. The suspect then turned around and, aggressively, walked back to [REDACTED] vehicle and kicked it. [REDACTED] said that the suspect again walked away and left the area.

[REDACTED] described the suspect as male, Hispanic, very tall, with a tan hat that covered half of his head and several shirts wrapped around his neck. [REDACTED] said that the suspect was very dirty and appeared to be a transient. [REDACTED] said that she has seen the suspect in the area before and can identify him if seen again.

I also contacted [REDACTED] another employee of [REDACTED] who was present at 1730 hours in the restaurant when the suspect walked inside and saw when he began throwing water on patrons in the restaurant for no reason. [REDACTED] said that [REDACTED] did not pay much attention to what the suspect was doing and continued on with her job. She described the suspect as male, Hispanic, approximately 6 feet tall wearing plaid shorts and a long sleeved shirt that was extremely dirty. [REDACTED]

also said that the suspect may have had a tattoo over one of his eyes. [REDACTED] is not sure if [REDACTED] can identify him if seen again.

I obtained a phone number for [REDACTED] and called [REDACTED]. [REDACTED] explained that [REDACTED] is the manager for [REDACTED] California. [REDACTED] said that [REDACTED] was dropping off some food items to the restaurant at [REDACTED] Boulevard and left the passenger door to her vehicle wide open. [REDACTED] said that [REDACTED] started speaking with other employees when [REDACTED] noticed a man (the suspect) got into the passenger side of her vehicle and began rummaging through it. [REDACTED] yelled at the suspect to get out of her vehicle, which he quickly did, but as [REDACTED] and another male employee approached, the suspect turned around and walked toward [REDACTED] vehicle and kicked the bumper. [REDACTED] said that there was nothing missing from her vehicle and there was no damage from the suspect kicking the vehicle. [REDACTED] is not desirous of prosecution.

[REDACTED] described the suspect as male, Hispanic, about 5-11, wearing a hiking hat and appeared to be a transient. Although she does not want to prosecute, she said she could identify the suspect if seen again.

## Additional.

On Wednesday, July 12, 2017, in the late evening, [REDACTED] was contacted at the command post by an LAPD Foothill Division unit (16x78) who told [REDACTED] that they had taken a battery report where the suspect had punched a [REDACTED] employee named [REDACTED] in the back. Officers [REDACTED] #38772 and [REDACTED] #38899 completed a 242 PC-Battery report # 171600923. A hard copy of that report was sent to the San Fernando Police Department (see attached report for [REDACTED] statements).

Lt [REDACTED], Det [REDACTED] and Det [REDACTED] from the Los Angeles County Sheriff's Department-Homicide Unit responded to the OIS as an investigative unit. Chief, [REDACTED] and Lt. [REDACTED] of the San Fernando Police Department responded as well. The crime scene log was handled by Field Training Officer Pak #10206 and is attached to this report. The Incident Commander was Sgt [REDACTED] # 10241.

On Thursday, July 13, 2017, at 1150 hours, I contacted [REDACTED] the Loss Prevention Officer for The Home Depot. He explained that on Wednesday, July 12, 2017 at about 1600 he was notified about a fight inside the store, near the lumber area. [REDACTED] said that he responded but both parties had fled the location. [REDACTED] reviewed the surveillance footage and saw a male walk up to another male and punched him once. [REDACTED] said that because both parties had left the store, the police were not called. There is no information on the victim of that battery.

Det. [REDACTED] # 10160 drove to [REDACTED] and contacted [REDACTED] who gave him a copy of the surveillance footage. Det. [REDACTED] will book that surveillance footage into evidence.

with a magazine and 13 live .45 caliber bullets.

RESPONSE

On Wednesday July 12, 2017 at approximately 6:45 p.m., we, Detectives [REDACTED]  
and [REDACTED] were assigned to respond to the above location to investigate the  
circumstances surrounding the assault on a San Fernando Police officer and the  
subsequent officer involved shooting that followed.

JULY 14, 2017

-2-

017-00080-3199-057

We were placed in charge of the overall investigation and were assisted by Homicide Detective Sergeants [REDACTED] and [REDACTED]. Homicide Lieutenant [REDACTED] was the on-scene supervisor. Conducting an independent investigation were Deputy District Attorney [REDACTED] and District Attorney Investigator [REDACTED] of the Los Angeles County District Attorney's office.

We spoke to Detective [REDACTED] of the San Fernando Police Department who told us the following:

Sergeant [REDACTED] and Officer Simonzad responded to the "[REDACTED]" located in the [REDACTED] block of Foothill Boulevard, regarding a man, punching two patrons. The man was last seen walking out of the parking lot carrying a sharp wooden stick. Sergeant [REDACTED] and Officer Simonzad saw the suspect and attempted to detain him. The suspect ignored the sergeant's commands and continued walking away. At one point a short foot pursuit occurred with Sergeant [REDACTED] and Officer Simonzad chasing the suspect through an easement filled with broken bricks, rocks and dirt.

At one point, the suspect scaled a short cement wall, turned toward the officers and threw a clump of dirt and rocks at Sergeant [REDACTED]. Sergeant [REDACTED] attempted to shield himself when the suspect was about to throw another object towards him. At that point, Officer Simonzad fired once from his department issued .45 caliber handgun, striking the suspect.

The suspect was subsequently transported to Providence/Holy Cross hospital and was in stable condition.

We directed Sergeants [REDACTED] and [REDACTED] to process the scene while we conducted interviews. We also requested that Detective [REDACTED] have San Fernando police personnel canvass the area for witnesses.

San Fernando detectives were responsible for investigating the initial battery that had occurred at the Home Depot.

#### INTERVIEWS

[REDACTED]

On July 12, 2017, at approximately 9:30 p.m., we interviewed [REDACTED] at his residence located at [REDACTED] Corcoran Place, Pacoima. This is also the location where the suspect was located.

JULY 14, 2017

-3-

017-00080-3199-057

The interview was audio tape recorded. Also present were Deputy District Attorney [REDACTED] and District Attorney Investigator [REDACTED].

[REDACTED] said he was in the west side of his backyard when he heard a noise "like someone scrambling", followed by a gunshot. He then heard moaning. He immediately went inside his house without looking to see what was happening. A short time later, he looked outside his front window and saw officers on his front lawn.

The interview was concluded.

[REDACTED]

On July 12, 2017, at approximately 9:40 p.m., we interviewed [REDACTED] at the same residence. [REDACTED] is the wife of [REDACTED]. The interview was audio tape recorded. Also present were Deputy District Attorney [REDACTED] and District Attorney Investigator [REDACTED].

[REDACTED] said she was in her bedroom located in southwest portion of her house. She heard a "bang" and someone moaning. She thought it was fireworks and did not look out her window. She later learned there had been a shooting in her back yard.

The interview was concluded.

#### SERGEANT [REDACTED]

On July 12, 2017, at approximately 10:20 p.m., we interviewed Sergeant [REDACTED] at the San Fernando police department. Also present and participating in the interview were Deputy District Attorney [REDACTED] and District Attorney Investigator [REDACTED]. The interview, which lasted approximately 38 minutes, was audio tape recorded and transcribed. Below is a summary:

Sergeant [REDACTED] was dressed in a full San Fernando Police Department uniform including a blue uniform shirt displaying San Fernando Police insignias, blue pants, gun holster and radio.

In response to a series of questions asked, Sergeant [REDACTED] stated the following:

He responded to a battery call at the [REDACTED]. The call was updated that the suspect, who was carrying a stick, was now walking away from the business.

Sergeant [REDACTED] found the suspect and told him to stop. Moments later, Officer Simonzad arrived at the location and parked behind Sergeant [REDACTED].

JULY 14, 2017

-4-

017-00080-3199-057

The suspect ignored Sergeant [REDACTED] commands and a short foot pursuit ensued down an easement littered with rocks, loose bricks, twigs and debris.

The suspect scaled a short cement wall into a back yard and turned towards Sergeant [REDACTED]. The suspect reached down, grabbed a clump of dirt and threw it towards the sergeant's face. Sergeant [REDACTED] turned and put his head down to avoid getting struck and to protect his eyes. With his head turned slightly and from his peripheral vision he could see that the suspect's arm was making a throwing type motion again. At that moment, he heard a gunshot and realized Officer Simonzad, who was standing to the right of him, had fired at the suspect. The suspect was hit and they immediately requested paramedics to the scene.

For complete details, refer to the transcript of Sergeant [REDACTED] interview.

#### OFFICER SIMONZAD

On July 12, 2017, at approximately 11:30 p.m., we interviewed Officer Simonzad at the San Fernando police department. Also present in the interview was his attorney [REDACTED] of the law office of [REDACTED]. The interview, which lasted approximately 19 minutes, was audio tape recorded and transcribed. Below is a summary:

Officer Simonzad was dressed in a full San Fernando Police Department uniform including a blue uniform shirt displaying San Fernando Police insignias, blue pants, gun holster and radio.

Prior to the interview, we had Officer Simonzad unload his department issued Glock .45 caliber semi-automatic handgun (Evidence item #8) in front of us. Prior to unloading the gun, Officer Simonzad stated he loads his weapon with one in the chamber and 13 in the magazine. When he unloaded his gun, there was one in the chamber and 12 in the magazine, indicating he shot one time.

In response to a series of questions asked, Officer Simonzad stated the following:

He responded to a battery call at the Home Depot. Sergeant [REDACTED] found the suspect walking away from the location and he responded to Sergeant [REDACTED] location. The suspect, who was carrying "a spear" ignored commands to stop. A short foot pursuit ensued down an easement littered with rocks, loose bricks, twigs and debris. Simonzad stated the suspect reached down to the ground as he ran down the easement. He stated he believed the suspect either picked up a rock or put something down as he ran.

The suspect scaled a short cement wall into a back yard and turned towards Sergeant [REDACTED]. This portion of the yard was also littered with rocks, loose bricks, and debris. The suspect threw something towards the sergeant's face.

JULY 14, 2017

-5-

017-00080-3199-057

Officer Simonzad saw the suspect reach back down towards the ground and then saw his arm in a throwing motion. Fearing that the suspect was going to strike the sergeant again with either a rock, brick or the stick he was carrying, Officer Simonzad fired once, striking the suspect in his chest.

For complete details, refer to the transcript of Officer Simonzad interview.

As of the time of this report, the suspect was still hospitalized and unable to be interviewed do to being sedated.

This investigation is continuing. Further reports to follow.

14  
15 [REDACTED] Today is July 12, 2017. It's about 10:15. We're at San Fernando  
16 Police Department. I'm Detective [REDACTED] My partner's Detective [REDACTED] We here with  
17 [REDACTED] and --

18 [REDACTED] [REDACTED] [REDACTED]

19 [REDACTED] -- [REDACTED] [REDACTED] from the District Attorney's Office. And you are?

20 [REDACTED] [REDACTED] [REDACTED] [REDACTED]

21 [REDACTED] Can you spell your name for us, please?

22 [REDACTED] Yeah, last name's spelled [REDACTED].

23 [REDACTED] And your first name?

24 [REDACTED] [REDACTED]

25 [REDACTED] And what's your employee number?

26 [REDACTED] 10054.

27 [REDACTED] And how long have you been a peace officer?

28 [REDACTED] Thirteen years.

29 [REDACTED] Thirteen years? All with San Fernando?

30 [REDACTED] Correct.

31 [REDACTED] And how long have you been a sergeant?

1 [REDACTED]: Just over two years.

2 [REDACTED]: And prior to the -- prior to being a sergeant?

3 [REDACTED]: I was a field training officer for a period of time. And prior to that, I

4 was assigned to the Detective's Bureau. And prior to that, I was a field training officer

5 as well.

6 [REDACTED]: And what shift were you working today?

7 [REDACTED]: What we call Team 3, which is our morning watch, which goes from

8 6 in the morning till 6 at night.

9 [REDACTED]: Six to 6?

10 [REDACTED]: Yeah.

11 [REDACTED]: And did you have a call sign today?

12 [REDACTED]: I did.

13 [REDACTED]: And what was that?

14 [REDACTED]: Three-L30.

15 [REDACTED]: So if you would, walk us through the incident today.

16 [REDACTED]: Okay. We just cleared a 5150 call and we had a call of a male

17 subject who had committed I believe at least a couple batteries over at the [REDACTED]

18 [REDACTED]t. And so we were responding. Officer [REDACTED] was in route to Olive View Medical

19 Center with his 5150. Myself and Officer Simonzad and Officer [REDACTED] were responding

20 to the battery call. And the suspect was described as having some sort of stick and had

21 already gotten into a physical confrontation with customers, patrons. So as we were

22 going, Officer [REDACTED] had put out that he was stationed on the bridge, which goes over

23 the wash on Foothill Boulevard standing by for us. So he's just west of the location and

24 I was headed up Arroyo to come in from the east. As we're headed northbound, took

1 the call, I could see Officer Simonzad almost at Foothill Boulevard and I'm coming up  
2 on 7<sup>th</sup> and 8<sup>th</sup>. And the last information that I received from dispatch was that the  
3 subject was last seen in between the, I believe it was Office Depot. It's either Office  
4 Depot or Staples, but I think it's Office Depot. Between the Office Depot and the Sam's  
5 Club. And from -- there's a little street that actually has a name and it's called Rods  
6 Way. It's more of like a private drive and allows for the 600 block of 8<sup>th</sup> to have access  
7 to the little businesses. It's like an industrial complex there. Well, there's a gap in the  
8 fence on purpose where you can walk through. So the high school kids frequent there  
9 and that's places where transients like to hang out, so I figured, hey, if he's in between  
10 those two buildings, he likely went through that fence and was probably on Rods Way  
11 and is headed into Pacoima. So as I'm coming Arroyo, I hit 8<sup>th</sup>. I immediately turn my  
12 attention to the left to see if he's coming off of Rods Way. That address is 615 8<sup>th</sup>, is  
13 the business that's right there. Don't see anything. Turn my attention to the right and I  
14 see a male walking on the north sidewalk headed towards a semi-truck that was parked  
15 right there. So the semi-truck, as I recall, was actually -- I think it was actually parked  
16 on the wrong side of the road. I think it was parked facing actually east, but on the  
17 north side of the street. So I see him walking and he has a stick in his hand, so I verify  
18 through dispatch what the suspect was described as wearing and they said he had a  
19 black cut-off T-shirt and a tan hat carrying a stick and that's exactly what I saw. So I let  
20 my guys know, said, hey, I got the suspect. I'm getting ready to go code -- I'm getting  
21 ready to go stop him or go Code 6 on him. And he went between the semi-truck and  
22 the fence line there. And I saw him go towards the front of the truck and I couldn't tell if  
23 he was just staying at the foot of the truck or if he was trying to hide from me. I couldn't  
24 tell what was the case. So as I come up, I don't want to get too close because I don't

1 want him to have a jump on me from coming around from the front of the truck. So as I  
2 roll around, I see him. He makes eye contact with me and like, man, that guy really  
3 looks familiar. He looks like a guy that we had a prior encounter with on a robbery call  
4 about two years ago or so. And so I roll my window down and I yell at him to stop and  
5 he keeps walking. As I said, no, you need to stop, stop right there, drop the stick. He  
6 becomes increasingly agitated. He's getting very upset and he's yelling something. I  
7 don't know what he's yelling. I believe it, memory, I believe it to be profanities of some  
8 sort, but he's not compliant. He's not stopped at all. So he's coming up to the edge of  
9 the property line with the Pepsi place, which is, what, 1200 Arroyo. He's coming up to  
10 the very final wall, which is actually in Pacoima. Half the lot is ours and have the lot is  
11 in the City of L.A.

12 [REDACTED] Okay.

13 [REDACTED]: So I throw the vehicle in park. I had already had the taser out in  
14 my left hand, so I get out and order him to stop. At that time, Officer Simonzad pulls his  
15 vehicle sort of in between us, between him and I, so between my vehicle and the north  
16 sidewalk. I get out and as soon as I put feet on the ground, he starts to speed up and  
17 he starts to run. And he turns left into the alley, which I'm sure you've been in. So he  
18 goes into the alley and I give chase on foot. I'm the first one into the alley with the taser  
19 deployed. I remember saying something to Officer Simonzad, something to the effect  
20 of I have a taser, something like that, letting him know that I had the taser. So we go  
21 through -- as you know when you first come in, you get in a few feet or wherever it is or  
22 however many feet it is, you kind of have to duck down. There's like an overhanging  
23 tree branch. I get underneath that. I can hear Officer Simonzad right behind me, so I  
24 know he's right on my tail and I go underneath the tree and I'm making -- getting closer

1 to the suspect, but he keeps looking back. He's looking back my direction and he  
2 jumps over the fence. He tries to get over the fence. It's not a fence, I'm sorry, it's a  
3 solid concrete cinderblock wall. So I know where -- made it past the first house, we're  
4 two houses in, that's the corner that he makes and then our direction is the southwest  
5 corner of that second lot. As he jumps over that, the whole time, you know, we're, hey,  
6 stop, you know, giving commands, those sort of things. I was looking for an opportunity  
7 in case he turned to tase him because as I'm going through the alley and I see him and  
8 I see his face, my memory is getting refreshed about who he was. And he had -- our  
9 detectives had, in the past on that robbery call, he was armed with a knife and he had  
10 gone - and they stopped and detained him because he matched the description of the  
11 robbery suspect. He had a knife in his hand. I deployed the taser on him in that  
12 instance, which the dart spread wasn't good enough for neuromuscular incapacitation,  
13 so he was just still fighting a little bit and then Officer [REDACTED] hit him with a second taser  
14 in the back, which caused him to comply. So I remember him being violent in the past  
15 and who he was. And I had, to be honest with you, I hadn't seen him since that day.  
16 So he jumps the fence and for whatever reason, you know, like most suspects when  
17 they jump a fence, they just keep going and we set up a containment, but he stood his  
18 ground where he was. And you guys know, that's pretty narrow in there. And so I've  
19 got the taser. I realize that now that he's on the other side of the concrete, we don't -- I  
20 don't have a great opportunity to even deploy the taser, but I don't have time to really  
21 deploy it either way, because he reaches down -- I lose sight of him for a second. He  
22 reaches down and grabs something and he throws it and I realize it's like a dirt or clump  
23 of grass or something like that. He throws that at me. As he throws it, I turn my head to  
24 the left because I don't want to get hit with it or get dirt in my eyes and I now I can't see

1 to engage this guy. As I come back up, I see his hand, something moving again. And  
2 that's when I hear the shot go off, go right past my right ear. I see the suspect dropping  
3 and Officer Simonzad puts out shots fired. By that time, I was able to finally put my  
4 taser back in the holster and switch over to lethal. And what I remember Officer  
5 Simonzad telling me -- I asked him, are you okay or we were going back and forth with  
6 the okays, are you okay, are you okay, and he said, "I couldn't let him hit you in the  
7 head with that brick or rock." I don't remember if it was a brick or rock. He said, "I  
8 couldn't let him hit you in the head with that brick." And I think I said something to the  
9 effect of thanks or, you know -- because I didn't see him with a brick, so I looked down  
10 in front of me and there was a pile of rocks and bricks and things like that and all of this  
11 happened within a span of like a second or two. I mean, it was really fast. At that time  
12 -- I don't know how much you want me to do after that -- well, so after he got in the  
13 shooting, put it out and we started to kind of contain, we were stuck in the alley. I knew  
14 I didn't want to leave him by himself because he was just involved in the shooting. So  
15 we got units on the other side. They did pretty good. They got to the front side, we got  
16 the corner. It's a cul-de-sac, so there's no need to deal with that from the north end.  
17 And the wall, as you know, is extremely tall with concertina wire. So that wasn't an  
18 issue either. And so I forget who I put with him first, but I put someone with him. Went  
19 around to the front and we started kind of working the problem in the front end of the  
20 house. Evacuated the house. Our direction is one house south, one house north. Got  
21 the airship. Officer [REDACTED] just happened to be doing K-9 training in the area, so  
22 he had resources with him. He had K-9 officers from Burbank training with him, so we  
23 were able to make entry through the like a south corridor that ran alongside of the  
24 property. And when we get there, he's still in the same spot as I saw him and now I can

1 kind of see why we only saw a certain amount of him from time to time is because the  
2 dirt ramps up, so he's able to kind of have the high ground up there, which was  
3 interesting. So we come in. We get him in handcuffs and we had a first aid kit, but we  
4 didn't even have time to render aid. LASD was already standing by because we had  
5 them staging just east of the location, I believe. So they were at the ready whenever  
6 we got him in custody.

7 [REDACTED] Okay. So I'm going to take you all the way back.

8 [REDACTED] Sure.

9 [REDACTED] From the time the call comes out to you seeing the suspect, about  
10 how long is the gap?

11 [REDACTED] That's a good question because the traffic is not the best at that  
12 time of day.

13 [REDACTED] Approximate.

14 [REDACTED] At the most, I would say it's probably five minutes.

15 Five minutes, okay.

16 [REDACTED] Yeah, on the -- because we were coming from 5<sup>th</sup> and Fermoore,  
17 5<sup>th</sup> to Maclay to Glenoaks to Arroyo.

18 [REDACTED] And when you first see the suspect, just so I make sure I've got my  
19 directions right, you're on Arroyo and he's on -- it's 8<sup>th</sup> going, what, west of Arroyo and  
20 it's Dunfield?

21 [REDACTED] Dronfield.

22 [REDACTED] Dronfield going east of Arroyo, correct?

23 [REDACTED] Yeah, it's 8<sup>th</sup> and our side and it's Dronfield on the LA side.

24 [REDACTED] On the LA side.

1 [REDACTED] Yeah.

2 [REDACTED] And when you see him, is he on the Dronfield side?

3 [REDACTED] Dronfield side, correct.

4 [REDACTED] And is he on the north side of the street or the south side of the

5 street?

6 [REDACTED] Northside of the side. And for us, Arroyo runs north and south.

7 [REDACTED] North and south, okay. So he's on the north side of the street and

8 you say he's by a big rig?

9 [REDACTED] Correct, yeah.

10 [REDACTED] And that big rig is also on the north side of the street?

11 [REDACTED] Uh-huh.

12 [REDACTED] And it's facing eastbound?

13 [REDACTED] For some reason, I remember it facing eastbound.

14 [REDACTED] Okay. And at this point, the suspect is walking away from you? I

15 don't want to put words in your mouth, but --

16 [REDACTED] He hadn't seen me yet.

17 [REDACTED] Okay.

18 [REDACTED] Which was why when he gets to the front of the semi-truck, he's

19 lingering about there. So like you know how your mind kind of auto-feels certain

20 things? If he had kept walking at the pace he was walking, I should have seen him by

21 then. He should have cleared the front of the truck, but he hadn't.

22 [REDACTED] Okay.

23 [REDACTED] So I could see something, like he milling about on the front side of

24 the vehicle.

1           [REDACTED] And when you saw him, did he have anything in his hands at that  
2 point?

3           [REDACTED] Yes, he did. He had -- it was like a stick. It was approximately, I  
4 don't know how long is that, two-feet long. It was bigger on one end and it tapered  
5 down to a point sort of on the other end.

6           [REDACTED] Do you remember the color of it?

7           [REDACTED] It was brown.

8           [REDACTED] Brown, okay.

9           [REDACTED] Yeah. I mean, it wasn't until -- because I saw it in his hand when  
10 he went through the alley --

11          [REDACTED] Okay.

12          [REDACTED] -- and I couldn't tell exactly what was on it, but it didn't look like a  
13 plain brown stick or a plain brown piece of wood or something going on with it. It wasn't  
14 until we went around and took him into custody that I could kind of see what it was.

15          [REDACTED] Okay. And just so I know that we're looking -- that I'm -- the stick I'm  
16 thinking about is the same stick. Can you describe it to me now a little better?

17          [REDACTED] Yeah, it was, I believe, as I recall, I believe it was like laminated  
18 plywood or a piece of -- cut piece of laminated plywood that was thicker on one end and  
19 tapered down to the other. And as you would have seen it, it was covered in his blood  
20 at the scene, at the top of that little mound in the corner.

21          [REDACTED] Okay.

22          [REDACTED] Yeah. Where his black cut-off T-shirt would have been as well.

23          [REDACTED] Okay. So you encounter him at the truck. You roll your window down  
24 and you tell him -- and you give him some verbal commands?

1 [REDACTED] Yeah, I said, hey, man, stop. Stop right there. And something to  
2 that effect. And he looked back. He made eye contact. Oh, one thing I did forget, I'm  
3 sorry, I don't want to change the subject, but --

4 [REDACTED] That's fine.

5 [REDACTED] -- this is coming to mind. When he grabs the plant material,  
6 whatever it was that he had, the weeds or whatever it was, he had a crazed look on his  
7 face that like sticks in my mind.

8 [REDACTED] Okay.

9 [REDACTED] I mean, he -- you know, being stuck, for me, him throwing stuff and  
10 engaging me with that look in his face and I really don't have anywhere to go. I'm stuck  
11 in this narrow alley. You know, Officer [REDACTED] is behind me, so if I started to retreat  
12 or go backwards, I'm going to go right back into him. And there was that like anchor for  
13 a telephone pole or something, whatever it was. So that was kind of bisecting the  
14 alleyway as it was. So once I had gained that ground, there wasn't anywhere to go. So  
15 that's one of those things that sticks out in my mind, was the look on his face.

16 [REDACTED] Okay.

17 [REDACTED] Anyway, I'll go back to the stick or the commands.

18 [REDACTED] The commands. Okay, so you're giving him commands and --

19 [REDACTED] He kept looking at me. I mean, he would turn and look and make  
20 eye contact and I'm going to stop or he's saying something to that effect, I'm not going  
21 to stop or, you know, F-you or whatever the case may be --

22 [REDACTED] Okay.

23 [REDACTED] -- and continued to walk and disregard it.

24 [REDACTED] Eastbound on the north -- on the north sidewalk?

1 [REDACTED]: Correct.

2 [REDACTED]: Okay. Is Simonzad there at that point or has he not arrived yet?

3 [REDACTED]: He was fast. Because the distance between 8<sup>th</sup> and Foothill where  
4 he was and as soon as I put it out, I mean, he did a U-turn. He was there on top of it --  
5 on top of me pretty fast. But so I don't know the exact timing.

6 [REDACTED]: Okay.

7 [REDACTED]: I never saw Simonzad until I started to get out. I had the taser and  
8 I start to run because I see him running and I see the black-and-white. So I see the  
9 black-and-white coming and I'm like, okay, he's here. I have a back-up. And that's why  
10 I yelled, I have the taser or something to that effect, letting him know, hey, I got a taser.

11 [REDACTED]: So there's the Pepsi building, right, and then there's a fence that runs  
12 along the Pepsi building and there's a driveway where the big rigs can turn in and then  
13 you have the east border of the Pepsi building.

14 [REDACTED]: Correct.

15 [REDACTED]: Right. When he starts running, is it -- can you kind of give me an idea  
16 of where you were at when you're exiting your vehicle and he starts to run? Is it by the  
17 driveway or is it by the --

18 [REDACTED]: It was enough to where -- it was enough to where when I started  
19 running and I ran at a diagonal directly towards the alley, when I got close enough, I cut  
20 the pie. Because there was this lapse between when he went in and I couldn't see him,  
21 so then I come in and I cut the pie with the taser. But it wasn't so far as the driveway.

22 [REDACTED]: Okay.

23 [REDACTED]: It wasn't -- it wasn't -- like, because I think there's like a little guard  
24 shack or something right there, isn't there? There's like a little thing or -- as the trucks

1 are coming in and out?

2 [REDACTED] Oh, yeah, yeah.

3 [REDACTED] Yeah, it wasn't over that far.

4 [REDACTED] Okay.

5 [REDACTED] Yeah. It was a lot closer to the alley.

6 [REDACTED] So approximately how about -- how far would you say you were away

7 from him when he started to run?

8 [REDACTED] How far away from him was I?

9 [REDACTED] Yeah.

10 [REDACTED] Let's see. It's hard to say. I mean --

11 [REDACTED] Twenty feet, 30 feet?

12 [REDACTED] Probably 20, probably something around 20 feet or so.

13 [REDACTED] Okay.

14 [REDACTED] I didn't want to -- like I said, when I saw him in the front, I didn't

15 want to just come right up on him and him come around that semi-truck and have the --

16 have the upper hand. So I didn't -- I didn't allow myself to get all close to the north

17 sidewalk.

18 [REDACTED] Okay. Yeah, so using tactics.

19 [REDACTED] Right.

20 [REDACTED]: Right. So he runs and then you split the pie and you have the taser

21 out --

22 [REDACTED] Yeah.

23 [REDACTED] -- and at this point, you stated that you saw -- I don't want to

24 mispronounce the name, [REDACTED]

1 [REDACTED] [REDACTED]  
2 [REDACTED] [REDACTED] --  
3 [REDACTED] Yeah.  
4 [REDACTED] -- was behind you.  
5 [REDACTED] Correct.  
6 [REDACTED] And you told him that you had the taser?  
7 [REDACTED] Correct.  
8 [REDACTED] And now you're chasing this guy down the alleyway.  
9 [REDACTED] Correct.  
10 [REDACTED] If you can recall, what's -- when you hit the alleyway, about where is  
11 he? Is he beyond that tree, is he at the tree that you had duck down --  
12 [REDACTED] The suspect?  
13 [REDACTED] Yeah, the suspect.  
14 [REDACTED] He had already cleared the tree.  
15 [REDACTED] He had already cleared the tree.  
16 [REDACTED] Oh, yeah.  
17 [REDACTED] Okay. And as you're chasing him, you said -- as I recall, you said the  
18 suspect was looking over his shoulder at you?  
19 [REDACTED] Initially, when we got in the -- he was looking over his shoulder  
20 when me and him were making eye contact.  
21 [REDACTED] Okay.  
22 [REDACTED] We were having this back-and-forth with each other. After he goes  
23 through the alley and into it and I go in after him, I remember once making eye contact  
24 or seeing his face before he goes over.

1 [REDACTED] Okay.

2 [REDACTED] But I don't remember him like, oh, is he still behind me, you know.

3 [REDACTED] Okay.

4 [REDACTED] I don't recall him doing that as we're running.

5 [REDACTED] Okay.

6 [REDACTED] And keep in mind, from the time that I found him the second time  
7 because he goes underneath the tree, we're in the alley, and we're going in foot pursuit  
8 from the time I make -- I acquire him again and make that eye contact, he was over that  
9 fence pretty fast.

10 [REDACTED] Okay.

11 [REDACTED] Yeah, he was over that fence pretty fast.

12 [REDACTED] When he goes over the fence and you said that he stopped? So  
13 normally the guys keep running, but he stops.

14 [REDACTED] Yeah, no, normally, you know, in my experience with foot pursuits,  
15 you know, the guy's on the fence and you think he's going to hunker down or pretend,  
16 you know, we can't see him or whatever the case may be and try to hide. In this case,  
17 he turned around in the corner and he's facing right back at us. And --

18 [REDACTED] Where are you standing when he turns around and faces back at  
19 you?

20 [REDACTED] I am --

21 [REDACTED] I know you're in the alleyway, but --

22 [REDACTED] Right. I'm -- do you remember there was like a little white pile of  
23 white rocks or white-ish rocks and there was like a rectangular brick that was there?

24 [REDACTED] Yes. Okay. So are you --

1 [REDACTED]: I was -- I was --

2 [REDACTED]: Are you closer to the neighbor's backyard or are you -- are you still  
3 adjacent to the neighbor's house or are you --

4 [REDACTED]: I was going near that wire, I believe.

5 [REDACTED]: Okay.

6 [REDACTED]: Right. So I wasn't -- I wasn't -- it was on the other side of where  
7 that wire that secures the support beam or whatever you want to call it that goes up to  
8 the telephone pole. I was on the other side of that. I had already cleared that.

9 [REDACTED]: Okay.

10 [REDACTED]: So the only thing between me and him was air. I mean, there  
11 wasn't that aircraft cable anchor thing or anything like that. It was just me and him.

12 [REDACTED]: Okay. And then do you know where Simonzad is at that point?

13 [REDACTED]: I can sense he's behind me.

14 [REDACTED]: Okay.

15 [REDACTED]: I hear him saying things, I hear him moving. I know he's close.

16 [REDACTED]: Okay.

17 [REDACTED]: But to be honest with you, I don't know -- I know he's close. I  
18 remember hearing the shot, it rang right past my ear, but I don't know how far back he  
19 was when that happened because I never turned around and -- you know what I mean?

20 [REDACTED]: Okay.

21 [REDACTED]: I never said, okay, how far back are you. So --

22 [REDACTED]: But based on your handle, he's off to your right?

23 [REDACTED]: Right and behind.

24 [REDACTED]: Right and behind.

1 [REDACTED] Yeah.

2 [REDACTED] Okay. Okay. So he's right and behind and then the suspect throws,  
3 you said, dirt or a lump of grass or something at your face?

4 [REDACTED] Correct. He's throwing it right at me. He's like -- this crazed look in  
5 his face, he's looking right at me. He rears back and he throws it. And when he throws  
6 it, I'm like, you know, the last thing I want to get is dirt in my eyes so now I can't see this  
7 guy. So I turn my head as he's coming at me.

8 [REDACTED] And based on your body movements, you're looking down at your left,  
9 so you turned to the left?

10 [REDACTED] I turned my torso and my head towards the left --

11 [REDACTED] Towards the left, okay.

12 [REDACTED] -- and down --

13 [REDACTED] Okay.

14 [REDACTED] -- to avoid getting dirt or whatever that was going to hit me in the  
15 face.

16 [REDACTED] And about how far away from --

17 [REDACTED] The suspect?

18 [REDACTED] -- yeah, at that point?

19 [REDACTED] I'm really bad with distances, I'm just letting you know.

20 [REDACTED] Is it closer -- is the distance that you and I are right now?

21 [REDACTED] No, no, no, no, no.

22 [REDACTED] Closer or further away?

23 [REDACTED] Yeah, it was probably from -- it was probably just beyond -- I mean,  
24 like I said, distances are really bad, ten feet maybe.

1 [REDACTED] I would say that we're probably about five feet right now.  
2 [REDACTED] Five feet?  
3 [REDACTED] I would say ten feet would -- maybe the length of this wall, almost the  
4 length of this table.  
5 [REDACTED] Ten --  
6 [REDACTED] That's like 15 from that, I don't know.  
7 [REDACTED] Ten feet sounds fair.  
8 [REDACTED] Okay.  
9 [REDACTED] To be honest with you.  
10 [REDACTED] Ten feet, okay.  
11 [REDACTED] Yeah. Yeah, ten feet sounds about right.  
12 [REDACTED] So he's about ten feet away.  
13 [REDACTED] Yeah.  
14 [REDACTED] And he throws at you and you look down and then you said that you  
15 couldn't see everything he did but you mentioned he did some type of motion?  
16 [REDACTED] Yeah, I know he was still going at it, so he had that look in his eyes,  
17 he's grabbing this stuff. He throws it, I turn my head and I'm looking back and he's still  
18 in that erratic movement and the body, the hands, the arms, things are moving. And  
19 I'm thinking to myself, well, man, I'm kind of in a pickle here.  
20 [REDACTED] Okay.  
21 [REDACTED] I'm in this thing that's about twice the width of my shoulders and I  
22 got nowhere to go.  
23 [REDACTED] Right.  
24 [REDACTED] And I got in my hands nothing but a taser, you know. And now,

1 since he's on the other side of the concrete wall, I can't exactly tase him through the  
2 concrete, so that's kind of a -- kind of a moot point. So I'm seeing his hands doing stuff,  
3 but I -- I don't -- I don't see a brick, I don't see a rock. I don't know what's going on with  
4 that, because I had just started to come back up and I'm looking at him and then,  
5 boom, the shot sort of took my attention, obviously. And I see the suspect fall  
6 immediately. Like once he got hit, he fell immediately. So you're talking a split second  
7 between when he's throwing the first object and he's reaching and grabbing other  
8 things to throw and he was hit.

9 [REDACTED]: Okay. When you -- when you turned your head to avoid getting stuff  
10 in your eyes, was there -- was there any length of time, however brief, that you couldn't  
11 see what the suspect was doing?

12 [REDACTED]: Oh, yes. Yeah, absolutely. Yeah, absolutely. And that was one of  
13 the things looking back at it in hindsight, like, okay, so from my understanding, if -- what  
14 I'm understanding Officer Simonzad is saying, you know, I turn, I'm getting hit with the  
15 debris that he's trying to throw. I come back up, the shot happens and he says, you  
16 know, hey, Sarge, I couldn't -- I couldn't let him hit you in the head with a brick, you  
17 know, or a rock or whatever he said. And so, you know, I'm thankful that he was locked  
18 on and saw what was going on and had an offset to where he wasn't getting hit with the  
19 grass and debris, because that could have been really bad for me.

20 [REDACTED]: Okay.

21 [REDACTED]: Yeah.

22 [REDACTED]: Okay, Sarge, when you first -- when you contacted him, are you in a  
23 patrol car?

24 [REDACTED]: Absolutely, yeah.

1 [REDACTED] Okay. And I see you're in a uniform.

2 [REDACTED] Yes.

3 [REDACTED] Standard police uniform, patches.

4 [REDACTED] The only thing I've taken off, I took my vest off, I'm sorry.

5 [REDACTED] Okay.

6 [REDACTED] I was sweating out there.

7 [REDACTED] No, that's fine. Okay.

8 [REDACTED] Yeah.

9 [REDACTED] All right. So now you contact him. You mentioned before you were  
10 giving him commands. Do you remember exactly what you're saying or what you were  
11 saying?

12 [REDACTED] I don't know verbatim what I said, but I know I told him to stop and I  
13 know I told to drop the stick.

14 [REDACTED] And he just -- did he say anything in response?

15 [REDACTED] No. Well, that I could tell you verbatim, no. Like I said, he -- I'm  
16 not going to -- I remember him telling me he wasn't going to stop and what words he  
17 used I don't recall. If he said I'm not going to stop or, you know, fuck you or whatever  
18 the case may be. But he was saying something and I was like, okay, well, obviously, he  
19 knows I'm here and he ain't stopping. And so this is what we're at.

20 [REDACTED] Okay.

21 [REDACTED] You know.

22 [REDACTED] Now, you said he was carrying a stick. Was he carrying anything  
23 else?

24 [REDACTED] You know, I want to say I thought he had some sort of pouch or

1 backpack or something.

2 [REDACTED] Okay.

3 [REDACTED] I believe he had something small --

4 [REDACTED] Okay.

5 [REDACTED] -- like a backpack or a pouch.

6 [REDACTED] Now, we talked about it -- did the clump of dirt or whatever, did it  
7 actually hit you? Did anything actually hit you that you recall?

8 [REDACTED] It was coming right at me and I turned. I don't recall if -- I mean,  
9 you're talking like the timeline from when he threw it and I turned and to when the shot  
10 happened, which kind of consumed my senses was, you know, a very short span of  
11 time, so I don't recall being hit with anything. I think I would have recalled being hit with  
12 something, but it was coming at me. He's making eye contact and he's rearing back  
13 with hand and he's got eyes wide open, crazed look and he's is throwing it directly --  
14 make no mistake about it, he is throwing it directly at me. And I go, oh, crap. Here's  
15 this coming at me. And so I turn and then when I come back is when the shot rang out.

16 [REDACTED] After the shot, did the guy say anything?

17 [REDACTED] The -- I'm going to -- to be honest with you, he apologized at the  
18 end.

19 [REDACTED] Okay.

20 [REDACTED] He did. He said, you know, I'm sorry, I'm sorry, can you guys pray  
21 over me. He asked us several times to pray over him. He apologized and he asked us  
22 to be careful because, you know, he was shot and all that. And everyone was  
23 professional and were very nice to him at the end, which was good. But no, I don't  
24 remember him -- I mean, Officer [REDACTED] was maintaining a dialogue with him after

1 the shooting and when I went to take over as the incident commander on the front side  
2 of it, I -- he was still talking to him and I asked him that if that changed, like as an  
3 indication that maybe he had become deceased or was now unconscious and needed  
4 some sort of medical intervention at that point, you know, I wanted to know about it. So  
5 I said, hey, if -- keep talking to him. If that changes, let me know.

6 [REDACTED]: Okay.

7 [REDACTED]: So Officer Simonzad was keeping him alert and awake after the  
8 fact.

9 [REDACTED]: Hi. I have a few questions.

10 [REDACTED]: Sure.

11 [REDACTED]: You mentioned there was a prior incident that involved a teasing and  
12 he was potentially a 211 suspect.

13 [REDACTED]: Yes.

14 [REDACTED]: Was Officer Simonzad involved in that incident at all?

15 [REDACTED]: No.

16 PENCE: Okay. On the date in question, was Simonzad also in a marked car  
17 and uniform?

18 [REDACTED]: Talking about today?

19 [REDACTED]: Yeah.

20 [REDACTED]: Yes, he was.

21 [REDACTED]: Switching back.

22 [REDACTED]: Yeah, no worries.

23 [REDACTED]: Yes.

24 [REDACTED]: He was.

1 [REDACTED] Okay.

2 [REDACTED] And he was 21 or 23 and I can't remember who because they  
3 switched the vehicles from what they usually take this morning, so it was 21 or 23.

4 [REDACTED] Okay. You used the expression, he jumped over the wall and he stood  
5 his ground, which was different --

6 [REDACTED] Correct.

7 [REDACTED] -- from what you normally would expect.

8 [REDACTED] Correct.

9 [REDACTED] Is there anything about his standing his ground that affected you  
10 emotionally in turn?

11 [REDACTED] Absolutely.

12 [REDACTED] Okay.

13 [REDACTED] Because he was in a position, as you guys have seen in that yard,  
14 he's in that 90-degree corner. He can leave. He can say, you know what, I'm done.  
15 You know what, I want to get away. I don't want to deal with these cops anymore. Us,  
16 we're stuck. We were stuck. We couldn't really go in reverse in that thing. And, you  
17 know, so when he's sitting there, I turn around and now he's standing his ground,  
18 absolutely, mentally I'm like, man, we're in a bad spot. We've gone down the rabbit  
19 hole and we're dealing with this guy who is very determined to stand his ground and  
20 turn around and face us and be a force to be reckoned with.

21 [REDACTED] Okay. Did anything about him standing his ground either increase or  
22 decrease in your mind the likelihood that he was going to attack you?

23 [REDACTED] Oh, absolutely, yeah, yeah. It was --

24 [REDACTED] But which one?

1 [REDACTED] It increased.

2 [REDACTED] Okay.

3 [REDACTED] Yeah, absolutely, sorry.

4 [REDACTED] Okay. You've -- you have said that he threw something and you made  
5 a motion, just so it's clear for the record, it looked to me like someone was throwing like  
6 a fastball --

7 [REDACTED] Absolutely.

8 [REDACTED] -- like pitching --

9 [REDACTED] Yeah.

10 [REDACTED] -- a ball, like a clump of dirt.

11 [REDACTED] Right. It was his hand over his head, rearing back behind his head  
12 and then a forward motion, throwing like a baseball.

13 [REDACTED] Okay.

14 [REDACTED] Yeah.

15 [REDACTED] Okay. You described yourself as turning to your left and ducking in  
16 response to having something thrown at you. Were you all the way back up and  
17 focused at the time that you heard the gunshot or were you still coming up?

18 [REDACTED] I don't think I was all the way back straight and locked on and  
19 looking directly at the suspect.

20 [REDACTED] Okay.

21 [REDACTED] And the reason I say that is because if I had locked on, even if  
22 there was a motion -- like I saw him doing something, so I was coming back up and I  
23 see him -- things going on, but I suspect if I had been stopped, locked, looking directly  
24 at him, then I would have seen whatever was in his hand or whatever he was reaching

1 for.

2 [REDACTED] Okay. So in your opinion, would have time to -- from coming up from  
3 where you were, had he had something that he was going to throw at you, do you think  
4 you had the awareness at that moment to react?

5 [REDACTED] No.

6 [REDACTED] Okay.

7 [REDACTED] Yeah. If he would have thrown something, it would have hit me.

8 [REDACTED] Okay. You used the expression cut the pie. I'm sure everybody else in  
9 this room knows what that means.

10 [REDACTED] Right, right.

11 [REDACTED] But I don't.

12 [REDACTED] So, yeah, so the alley, as you've seen, is pretty narrow. I don't  
13 want to be the guy that just, you know, is going to run right directly into it. So since it  
14 was in front of me, but to the left, as I came in, I start to make that angle more acute  
15 until I can see the entire corridor.

16 [REDACTED] So does that mean you're standing closer to the wall or further away  
17 from the wall?

18 [REDACTED] I'm further away from the wall because you don't want to get close  
19 to the wall and I'm -- I'm decreasing that angle so that I have enough distance to where  
20 I can see directly through the alley.

21 [REDACTED] Okay.

22 [REDACTED] If that makes sense.

23 [REDACTED] It does.

24 [REDACTED] Okay.

1 [REDACTED]: I read it all the time. But I use the expression and then I get a note  
2 back, what does that mean. When you saw the suspect fall after the gunshot, did you  
3 see if anything was in his hands?

4 [REDACTED]: We couldn't see him.

5 [REDACTED]: Okay.

6 [REDACTED]: Yeah, period. And which was also troubling. So because we  
7 couldn't -- that wall is just tall enough and we were just low enough to where we couldn't  
8 really see what he was doing back there.

9 [REDACTED]: Okay.

10 [REDACTED]: Which is the reason that towards the end, we got the helicopter to  
11 get an eye on him and see what we were dealing with back there.

12 [REDACTED]: Okay.

13 [REDACTED]: Before we sent officers.

14 [REDACTED]: And when he apologized to you, that was later?

15 [REDACTED]: After the -- he had already been handcuffed and, you know, we  
16 rolled him over and the fire department showed up and, you know, he was apologizing.

17 [REDACTED]: Okay.

18 [REDACTED]: He may have apologized to Officer Simonzad when he was  
19 maintaining dialogue with him --

20 [REDACTED]: Okay.

21 [REDACTED]: -- so I don't know.

22 [REDACTED]: Okay.

23 [REDACTED]: Okay. All right, thank you. We're going to go off tape.

24 [REDACTED]: Thank you.

4  
5 OFFICER [REDACTED] SIMONZAD

6  
7 Taken at San Fernando Police Department, in the presence of Detectives  
8 [REDACTED] and [REDACTED], Los Angeles County Sheriff's Department, Homicide Bureau.  
9 Case under File 017-00080-3199-057. Transcribed by [REDACTED], WPU, Inc.

10  
11 --oo0oo--

12  
13 MORRIS: All right, today is July 12, 2017. It's 11:40 p.m. I'm Detective [REDACTED].  
14 My partner is Detective [REDACTED]. I'm here with?

15 [REDACTED]: Attorney [REDACTED] from the Law Offices of [REDACTED] on  
16 behalf of the officer.

17 [REDACTED]: And

18 SIMONZAD: [REDACTED] Simonzad.

19 [REDACTED]: Can you spell your name for me, please?

20 SIMONZAD: S-I-M-O-N-Z-A-D is the last name and first name

21  
22 [REDACTED]: And what's your employee number?

23 SIMONZAD: 10337.

24 [REDACTED]: And how long have you been an officer, Benny?

25 SIMONZAD: Here in San Fernando, three-and-a-half years.

26 [REDACTED]: Prior to San Fernando?

27 SIMONZAD: City of Glendale for approximately five, five years.

28 [REDACTED]: Any other law enforcement?

29 SIMONZAD: No, sir.

30 [REDACTED]: And what assignment have you had at San Fernando? Has it been

1 just patrol?

2 SIMONZAD: Patrol.

3 [REDACTED]: Okay. And what shift were you working today?

4 SIMONZAD: It was day-watch shift, which is 0545 hours to 1800 hours.

5 [REDACTED]: To 1800?

6 SIMONZAD: Yes, sir.

7 [REDACTED] And did you have a call sign?

8 SIMONZAD: Yes, sir. It's 3L21.

9 MORRIS: If you would, just walk us through the events of what happened today.

10 SIMONZAD: Yes, sir. We got a radio call at approximately, I believe, it was  
11 1730 hours and I believe it was [REDACTED] Foothill, which is the Sam's Club, if I didn't make  
12 a mistake on the address, regarding a male who had assaulted a victim and also the  
13 suspect was described as having a long, sharp stick with him and fled the location. And  
14 they gave us the general description of I think was a black shirt, torn shirt, and I think it  
15 was beige shorts, but I'm not sure, leaving the location. And as I was responding to the  
16 call, Sergeant [REDACTED], which is my supervisor, noticed a male matching the  
17 description somewhere around Arroyo and 8<sup>th</sup> Street. And he went out on the subject  
18 and then I immediately responded to assist him on the call. I pulled behind his unit and  
19 as I exited my vehicle, Sergeant [REDACTED] said on the radio that the subject was not  
20 responding to his commands and was actually walking away from him. So I got out of  
21 the vehicle. I approached Sergeant [REDACTED]. I noticed he had his taser out. And we  
22 started to move towards the subject and I noticed he had like a spear. I guess you  
23 could describe it as a wooden stake, sharp on the end, maybe four or five feet long.  
24 And he kind of just turned back, squared off on Sergeant [REDACTED] and I didn't know

1 what he was going to do and also he turned and ran northbound through, I guess you  
2 could call it, the property line. It looked like a small little alley. And he ran northbound  
3 and put on the radio that the subject was running northbound. And as he was running  
4 through this property line, I noticed he reached down really quick and I don't know if he  
5 was dropping something or picking something up. And as he proceeded through and I  
6 was following Sergeant [REDACTED] I looked down and I saw rocks and bricks on the  
7 ground. So in my mind, I was thinking maybe he picked something up or dropped  
8 something there. I wasn't sure. And we were giving repeated commands to stop. I  
9 remember Sergeant [REDACTED] told him to stop, get on the ground and he was not  
10 compliant or following any of the orders. Continued through and then jumped a six-foot  
11 wall, I guess, five- or six-foot wall, approximation. It was a concrete wall. He jumped  
12 over. As Sergeant [REDACTED] closed the gap to get closer to the wall, the subject had  
13 jumped over and I thought he was going to continue running. However, I saw the top of  
14 his head, the subject's head, over the wall and I saw him reach over, I don't know if it  
15 was right hand or left, and basically threw something toward Sergeant [REDACTED] and, to  
16 me, I thought it was a brick or a rock. And I saw it hit the side of Sergeant [REDACTED]  
17 head to his left. And then at some point, I had my firearm out because Sergeant  
18 [REDACTED] had the less-lethal, the taser, so I was essentially trying to cover for him. And  
19 I lost sight if the subject still had that spear with him. Another thing that crossed my  
20 mind was if he was going to actually launch that spear towards me or Sergeant  
21 [REDACTED] I saw his arm coming up again with an object and I thought he was going to  
22 throw something over that wall. And in my mind, all I could think of a projectile hitting  
23 Sergeant [REDACTED] in the head or myself. And at that point, I discharged one round  
24 from my duty weapon towards the subject and then I lost sight of him completely, both

1 his head and the arm that he over him. And I stopped firing at that point.

2 [REDACTED]: I'm going to back you up and we're going to kind of go through it  
3 again. So the call comes out about 1730 hours?

4 SIMONZAD: Yes, sir.

5 [REDACTED]: And what's the length of time, approximately, between the time that  
6 the call comes out and you are now behind Sergeant [REDACTED] vehicle,  
7 approximately?

8 SIMONZAD: I want to say anywhere between five and ten minutes.

9 [REDACTED]: Okay. And when you arrive and you're still in your vehicle, what's the  
10 first thing you see?

11 SIMONZAD: I see Sergeant [REDACTED] vehicle, the Explorer, parked kind of in  
12 the middle of the street with his door open. At first I saw that view right there, pretty  
13 much his vehicle and Sergeant [REDACTED] at the driver's side door.

14 [REDACTED]: Is he -- is he outside of the car or is he inside?

15 SIMONZAD: Yes, sir, he was outside.

16 [REDACTED]: He's outside the car, okay. So he's outside of his vehicle --

17 SIMONZAD: Yes, sir.

18 [REDACTED]: -- and where is the suspect at that point?

19 SIMONZAD: I want to say, if I'm looking straight at them, it was going to be to  
20 Sergeant [REDACTED] left.

21 [REDACTED]: Okay. And what's the suspect doing at that moment?

22 SIMONZAD: I just got a glimpse, like a quick glimpse of him. He had a stick in  
23 his hand. I'm not sure which hand it was, but basically he turned and faced Sergeant  
24 [REDACTED] and for a moment I thought he was going to engage or there was going to be

1 some type of altercation there, but he just kind of squared off on Sergeant [REDACTED] at  
2 that moment.

3 [REDACTED]: And at that time, about what's the distance between Sergeant  
4 [REDACTED] and the suspect?

5 SIMONZAD: Approximate, I would be guessing, maybe five to ten feet.

6 [REDACTED]: Okay. Is the suspect in the street or is he on the sidewalk or do you  
7 know?

8 SIMONZAD: I don't remember if he was on the street or the sidewalk.

9 [REDACTED]: Okay.

10 SIMONZAD: I don't remember.

11 [REDACTED]: Okay. But again, I don't want to put words in your mouth, but at that  
12 moment, he's facing Sergeant [REDACTED]?

13 SIMONZAD: That is correct.

14 [REDACTED]: Okay.

15 SIMONZAD: Yes, sir.

16 [REDACTED]: And he's holding the stick, but you don't know or can't recall which  
17 hand it's in?

18 SIMONZAD: That is correct, sir.

19 [REDACTED]: Okay. Is the suspect saying anything at that point?

20 SIMONZAD: I did not hear him, no, sir.

21 [REDACTED]: Okay. Are you or Sergeant [REDACTED] saying anything to him at that  
22 point?

23 SIMONZAD: I could hear Sergeant [REDACTED] giving him commands to get down,  
24 if I remember correctly.

(62)

1 [REDACTED]: Get down.

2 SIMONZAD: Yes, sir.

3 [REDACTED]: Okay. And then at some point, you get out of your patrol car?

4 SIMONZAD: Yes, sir. I was already out of my patrol car.

5 [REDACTED]: Okay. So you get out of your car.

6 SIMONZAD: Yes, sir.

7 [REDACTED]: Is the suspect still standing there or is he moving now?

8 SIMONZAD: I think he was slowly moving away northbound on the street on  
9 Dronfield, so towards the residential area. He started kind of moving that way, away  
10 from Sergeant [REDACTED].

11 [REDACTED]: Okay. So I can get the directions kind of correct in my head, are you -  
12 - there's a -- there's Pepsi building?

13 SIMONZAD: Correct.

14 [REDACTED]: Okay. Are you facing the Pepsi building?

15 SIMONZAD: I was basically facing eastbound on Dronfield and the Pepsi  
16 building would be to our north.

17 [REDACTED]: Okay. And the suspect, when he starts moving away, which direction  
18 is he moving?

19 SIMONZAD: Northbound. North, towards the residential.

20 [REDACTED]: Would that be -- is that northeast or is that --

21 SIMONZAD: I would -- it's directly north from the street itself, so it's  
22 perpendicular to Dronfield.

23 [REDACTED]: Okay. Okay. So he's moving towards the gap in the --

24 SIMONZAD: The residential.

1 [REDACTED] -- in the residential, okay.

2 SIMONZAD: Yes, sir.

3 [REDACTED] What's the next thing that happens?

4 SIMONZAD: At some point before that, I heard Sergeant [REDACTED] on the radio  
5 say that he's not complying with orders and I believe he said something to the effect  
6 that he's either running or leaving the location and I noticed Sergeant [REDACTED]  
7 essentially get in a foot pursuit with the subject northbound through that pathway  
8 between the residential area, so I pursued as well, following Sergeant [REDACTED] and I  
9 noticed he had his taser out because he had the less lethal. And I was bringing close  
10 proximity behind Sergeant [REDACTED] and I basically put on the radio that the subject is  
11 moving northbound and we're giving chase through the little pathway.

12 [REDACTED] So you say you're in close proximity. Are you as close as you and I  
13 are right now or is it further, can you give us --

14 SIMONZAD: Approximately, probably, between me and you, so maybe --

15 [REDACTED] So if I were to say four feet, is that accurate, three or four feet?

16 SIMONZAD: That's an approximately, yes, sir.

17 [REDACTED] Approximation, okay. So you're behind Sergeant --

18 SIMONZAD: [REDACTED].

19 [REDACTED] -- [REDACTED].

20 SIMONZAD: Yes, sir.

21 [REDACTED] And then the suspect is in front of him?

22 SIMONZAD: That is correct.

23 [REDACTED] And what's the distance between [REDACTED] and the suspect,  
24 approximately?

1 SIMONZAD: I'd say maybe something similar to that, in between five and ten  
2 feet.

3 [REDACTED] Five and ten feet?

4 SIMONZAD: Yes, sir.

5 [REDACTED] Okay. And you had mentioned that as the suspect ran that you saw  
6 him either pick something up or drop something.

7 SIMONZAD: Correct.

8 [REDACTED] Approximately where in the little -- for lack of a better word, I'm going  
9 to call it an alley.

10 SIMONZAD: Yes, sir.

11 [REDACTED] Approximately where in the alley was the suspect when you saw him  
12 do this motion?

13 SIMONZAD: I'd say maybe five to ten feet into that -- into the alley,  
14 approximately.

15 [REDACTED] Oh, okay. So to kind of give you an -- a description of the alley, when  
16 you first go into the alley, there's a tree that kind of overhangs the alley.

17 SIMONZAD: Yes, sir.

18 [REDACTED] Was he south of the tree or north of the tree?

19 SIMONZAD: I don't remember, sir.

20 [REDACTED] You don't know, okay. But nevertheless, he does a motion and you're  
21 not sure whether he's picking something up or putting something down.

22 SIMONZAD: That is correct.

23 [REDACTED] And I believe you mentioned that you recall seeing numerous rocks  
24 and bricks --

1 SIMONZAD: And debris and bricks as well, yes, sir.

2 [REDACTED] -- in the alley. Okay. Can you see either of the suspect's hands at  
3 that point?

4 SIMONZAD: I could not clearly, no, sir.

5 [REDACTED] Okay. Does he still have the stick?

6 SIMONZAD: I am uncertain.

7 [REDACTED] You're uncertain, okay.

8 SIMONZAD: Yes, sir.

9 [REDACTED] So the suspect continues running and jumps the fence?

10 SIMONZAD: At some point, he jumps over a concrete wall, yes, sir.

11 [REDACTED] What's the -- as soon as the suspect jumps over the wall, where is, if  
12 you can recall, where's Sergeant [REDACTED] and where are you?

13 SIMONZAD: So, we were continuously moving in that direction. So, he was,  
14 once again, probably another, I'd say, five feet from the wall itself, so I wasn't sure if  
15 Sergeant [REDACTED] was going to try to jump over it, but he was closing that gap to the  
16 wall itself.

17 [REDACTED]: And as he's closing the gap, when do you first see the suspect's head  
18 and arm?

19 SIMONZAD: I say almost instantly as I put my transmission that he was running  
20 northbound through the property line. I could almost instantly see as he jumped over, I  
21 saw him, basically from, I say, maybe chin up and part of his shoulder. And I could see  
22 immediately he threw something at Sergeant [REDACTED], which I thought maybe was  
23 either a brick he picked up or a rock or even the stick he had in his hand. I wasn't sure.

24 [REDACTED] Okay. As you were describing that, you were kind of swinging your

(b6)

1 right arm in a like a baseball pitcher would.

2 SIMONZAD: Yes, sir.

3 [REDACTED] Was it his right arm and was it that type of motion?

4 SIMONZAD: If I am to guess, it may have been his right arm, but I'm not sure.

5 [REDACTED]: You're not sure, okay. But the motion --

6 SIMONZAD: Yes, sir, it was almost like an over-the-shoulder, over-the-head  
7 type of pitching or throwing motion.

8 [REDACTED] Okay. When the first time you see this motion, did you see Sergeant  
9 [REDACTED] reaction to it?

10 SIMONZAD: He reacted as if somebody had just thrown at him. It was like a  
11 flinch or some type of physical reaction. And I saw it basically hit the left side of his  
12 body. I'm not sure if was by his head and that's what I saw at that point.

13 [REDACTED] Okay. So you definitely saw an item --

14 SIMONZAD: Yes, sir.

15 [REDACTED]: Some type of item fly toward Sergeant [REDACTED] --

16 SIMONZAD: Yes, sir.

17 [REDACTED] -- and strike him somewhere on the left side of his body?

18 SIMONZAD: Yes, sir.

19 [REDACTED] Okay. How far as you from Sergeant [REDACTED] at that time?

20 SIMONZAD: Probably, just a guess, approximation, maybe five to six feet.

21 [REDACTED] Okay. Are you directly behind him or are you off to one side or the  
22 other.

23 SIMONZAD: I tried to basically be on the right side, so, obviously, avoid any  
24 type of crossfire, I was to his right just slightly.

1 [REDACTED] To his right?

2 SIMONZAD: Yes, sir.

3 [REDACTED] Okay. After that first throw or swinging motion that the suspect  
4 makes --

5 SIMONZAD: Yes, sir.

6 [REDACTED] -- do you lose sight of him for any period of time?

7 SIMONZAD: I'm not sure. I think I continuously saw his head or the top half of  
8 his head. And, honestly, at that very moment, I thought either he's going to throw that  
9 stick or the spear, so I was watching closely and then I saw the arm come again to  
10 throw something over again and I thought it was maybe a brick or something that could  
11 hit Sergeant [REDACTED] head or even -- or even me.

12 [REDACTED] Okay. Did you -- did you see an item in his hand or --

13 SIMONZAD: I couldn't see clearly.

14 [REDACTED] Couldn't see clearly.

15 SIMONZAD: No, sir.

16 [REDACTED] Okay.

17 SIMONZAD: No, sir.

18 [REDACTED] Well, based on what you've told me before, you believe that there was  
19 something in his hand.

20 SIMONZAD: I thought it -- it could have been -- in my mind, like I said, it could  
21 have been either the bricks that were on the ground or the stick itself, the sharp-ended  
22 stick, yes, sir.

23 [REDACTED] Okay. And then what did you do at that point?

24 SIMONZAD: At that point, I just discharged one round from my duty weapon

1 SIMONZAD: I didn't hear him say anything, sir.

2 [REDACTED] Did hear him say anything, okay. You talk about a stick. Do you  
3 remember him having anything else, the suspect?

4 SIMONZAD: I don't remember, sir, no.

5 [REDACTED] Okay. We saw a backpack there. Do you remember him carrying that  
6 backpack?

7 SIMONZAD: I don't remember, sir.

8 [REDACTED] You don't remember, okay. And the sergeant, you see the guy  
9 throwing something at the sergeant.

10 SIMONZAD: Yes, sir.

11 [REDACTED] And the sergeant reacted like something hit him?

12 SIMONZAD: Basically like a flinch or reaction to something being thrown at him,  
13 yes, sir.

14 [REDACTED] Okay. And now you see the guy, he's coming up again, right?

15 SIMONZAD: Yes, sir.

16 [REDACTED] I mean, it happened so fast.

17 SIMONZAD: Yes, sir.

18 [REDACTED] Obviously. Do you think he actually threw something or you got him  
19 before he threw anything or what?

20 SIMONZAD: From my guess, I got him at that very moment before he could  
21 throw that second object. And that was my intention to stop that threat so Sergeant  
22 [REDACTED] wouldn't be struck.

23 [REDACTED] Okay. And obviously you shoot one time. How come you didn't shoot  
24 anymore?

1       SIMONZAD: At that point, I lost sight of him. I didn't feel that he was an eminent  
2 threat at that point. So I just had to reassess to see what was going on, make sure the  
3 sergeant was okay and then I tried to get some kind of dialogue between me and the  
4 suspect.

5       [REDACTED] And you just brought up a point, to make sure the sergeant's okay.  
6 Did you ever say anything to the sergeant?

7       SIMONZAD: I don't recall specifically, but I looked towards him and he looked  
8 like he was okay. I don't remember if I asked him if he was okay, sir.

9       [REDACTED] Okay. Did we forget to ask you anything?

10       SIMONZAD: No, sir.

11       [REDACTED] Go off tape.

Charge: 245 P.C.  
Report Date: July 13, 2017

Victim #1: [REDACTED] #10054  
Victim #2: Simonzad, #10337  
Subject: Jiminez, [REDACTED]

Coroner's Case Number:

On July 12, 2017, at the request of Detectives [REDACTED] #436075 and [REDACTED] #253673, I responded to [REDACTED] Corcoran Place, San Fernando. The request was to assist detectives in the documentation of the scene and collection of evidentiary items pursuant to an officer involved shooting investigation.

**Observations and Scene Examinations**

Location #1: [REDACTED] Corcoran Place, San Fernando

Location #2: 910 1<sup>st</sup> Street, San Fernando "San Fernando Police Department"

I contacted Homicide Detectives [REDACTED] and [REDACTED] at Corcoran Place and Dronfield Avenue, San Fernando. I completed a walkthrough of the crime scene with Homicide Detective [REDACTED]. Location #1 is a residential area with several business complexes to the north of Corcoran Place and single family homes to the south. I saw a beige hat on the east sidewalk of Dronfield Avenue near a pathway. The pathway was located on the east sidewalk of Dronfield Avenue between the south property line of the "Pepsi" company and north property line of location #1. I walked to the backyard of location #1 and saw a black backpack, several pieces of clothing with possible blood and a wooden stick with possible blood.

I photographed the crime scene as it appeared upon my arrival. I photographed the pathway and I took several photographs overlooking the backyard of location #1 from the pathway. I marked the evidence and I took a midrange and close-up photographs of the marked evidence.

Forensic Identification Specialist (F.I.S.) [REDACTED] #253760 responded to location #1 and completed a hand-drawn sketch and measured all the evidence.

At the request of Homicide Detective [REDACTED], I responded to location #2. I took photographs of San Fernando Police Officers [REDACTED] #10054 and [REDACTED] Simonzad #10337. I took custody and control of Officer Simonzad's duty weapon (later identified as EV. 8 and I photographed it at the Los Angeles County Sheriff's Crime Lab).

July 13, 2017

I responded to location #1 and collected EV. 1 through EV. 3 and EV. 6. Homicide Detective #290586 took custody and control of EV. 4, EV. 5 and EV. 7 at the scene.

I transported evidence items EV. 1 through EV. 3 and EV. 6 to the Los Angeles County Sheriff's Crime Lab for further processing.

On November 27, 2018, we, Detectives [REDACTED] and [REDACTED] received a letter dated November 26, 2018, from Head Deputy District Attorney [REDACTED] of the Justice System Integrity Division. This was in regards to the shooting of Jose Jimenez by Officer Simonzad.

After reviewing the facts of the case, DDA Presby rendered an opinion which stated in part "Jimenez's aggressive and erratic actions prompted a dynamic situation forcing Simonzad to make a split-second judgment regarding the amount of force necessary to prevent the assault."

"We conclude that Officer Simonzod's use of deadly force was legally justified in defense of Sergeant [REDACTED]. We are closing our file and will take no further action in this matter."

**SUBJECT:** Officer Involved Shooting of Jimenez  
J.S.I.D. File #17-0351  
L.A.S.D. File #017-00080-3199-057

**DATE:** November 26, 2018

The Justice System Integrity Division of the Los Angeles County District Attorney's Office has completed its review of the July 12, 2017, non-fatal shooting of [REDACTED] Jimenez by San Fernando Police Department (SFPD) Officer Simonzad. We have determined that Officer Simonzad acted in lawful defense of another when he fired his service weapon.

The District Attorney Command Center was notified of this shooting on July 12, 2017, at approximately 7:00 p.m. The District Attorney Response Team responded to the location of the shooting and was given a briefing and walk-through of the scene by Los Angeles County Sheriff's Department (LASD) Detective [REDACTED]

The following analysis is based on reports and other materials including audio-recorded interviews of witnesses, a 9-1-1 call, radio transmissions, surveillance videos, and photographs submitted by the LASD Homicide Bureau.

**FACTUAL ANALYSIS**

On July 12, 2017, at approximately 4:00 p.m., two female [REDACTED] employees were speaking to each other while seated in their respective cars in the parking lot of the restaurant located at [REDACTED] Foothill Boulevard. Suddenly, [REDACTED] Jimenez entered the front passenger seat of one of their cars. Both women yelled at him to leave, and he immediately did so, while also demanding that the driver recite her license plate number to make sure the car belonged to her.

When another employee walked over, Jimenez began to walk away, but returned to kick the car before leaving the area.

At approximately 4:30 p.m., Jimenez, without provocation, punched a customer inside the [REDACTED] located at [REDACTED] Foothill Boulevard. Shortly thereafter, the manager of the [REDACTED] Ian, became aware of the battery and viewed surveillance footage depicting the attack.

At approximately 4:45 p.m., [REDACTED], an employee of the [REDACTED] located at [REDACTED] Foothill Boulevard, was helping customers when Jimenez punched him from behind, one time in the upper back. Jimenez then fled the store through the main entrance and ran in the direction of [REDACTED], [REDACTED], [REDACTED], and [REDACTED] are located within the same shopping center.

At approximately 5:30 p.m., Jimenez was inside [REDACTED] throwing water on customers for no apparent reason. Ian was on his work break when he walked inside [REDACTED] and saw Jimenez walking out. Ian recognized Jimenez as the same person from the [REDACTED] surveillance footage he had seen. Jimenez looked agitated and kept pacing between [REDACTED] and the [REDACTED] in the shopping center. Jimenez aggressively stared at people, and carried a large wooden stick with a pointed end in his hand as he paced back and forth. [REDACTED] called 9-1-1, reported that Jimenez committed a battery on a [REDACTED] customer and a [REDACTED] employee, gave a physical description of Jimenez, and stated that he was holding a sharp wooden stick.

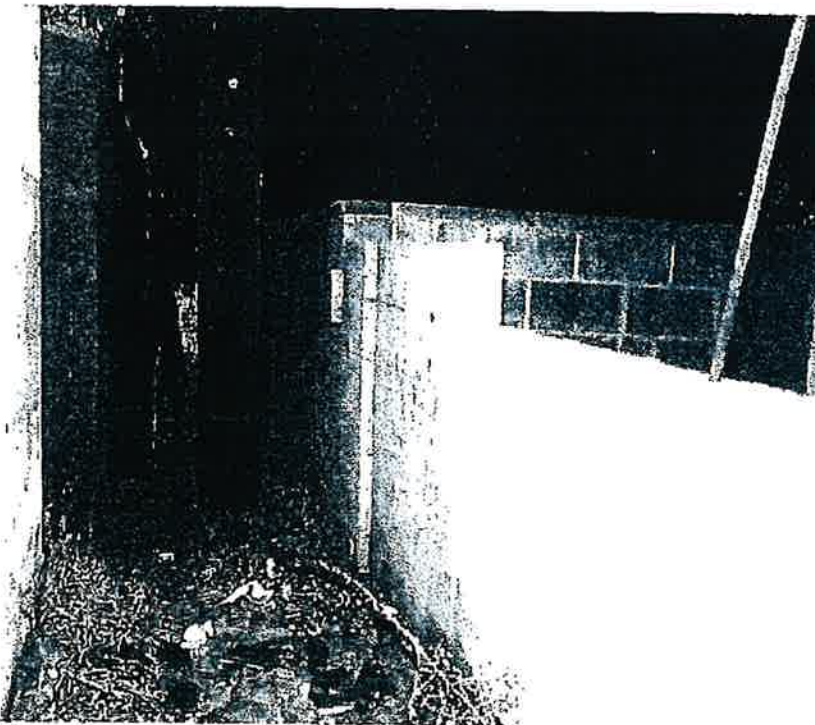

Several SFPD officers, including Officer Simonzad and Sergeant [REDACTED], were dispatched to the shopping center and told that a man holding a large sharpened wooden stick had assaulted a person and was last seen walking southbound through the parking lot, east of [REDACTED].

#### Statement of Sergeant [REDACTED]

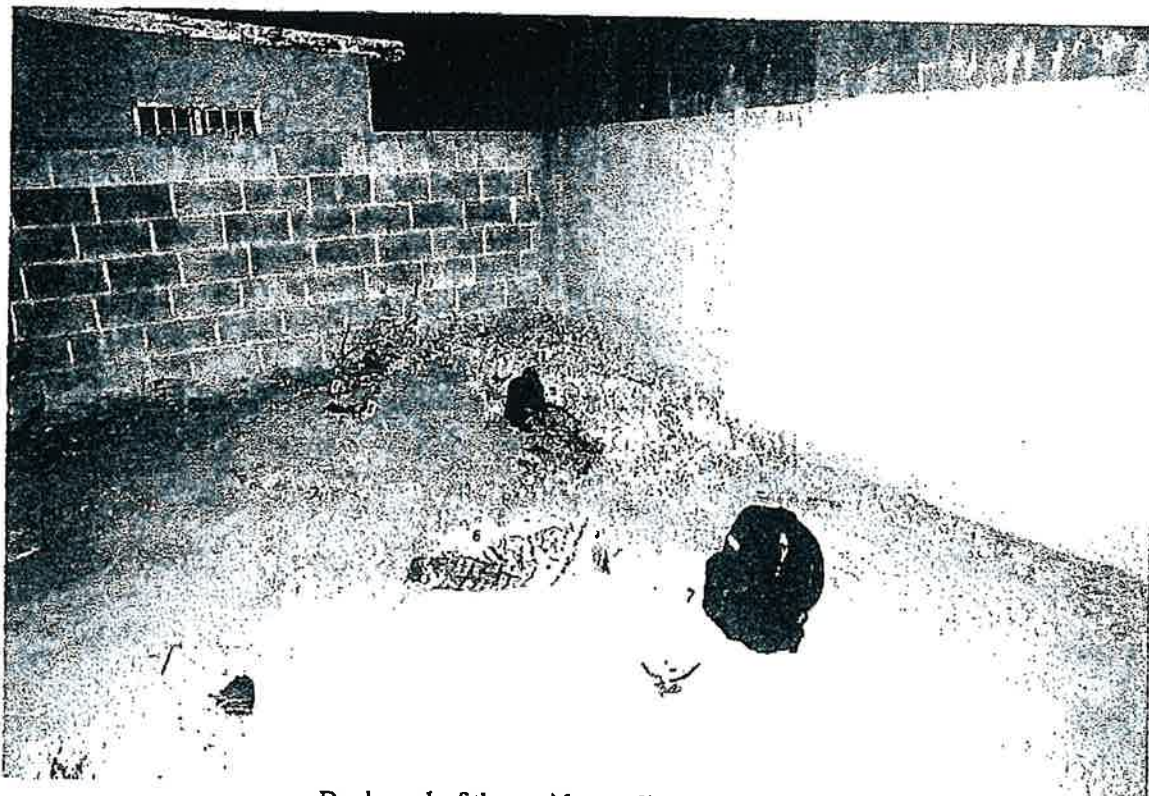

[REDACTED], who was driving a marked police vehicle and dressed in police uniform, responded to the battery call. [REDACTED] saw Jimenez, whose clothing matched the description of the battery suspect, walking with a stick in his hand on Dronfield Avenue east of Arroyo Avenue. [REDACTED] and Jimenez made eye contact, and [REDACTED] ordered Jimenez to stop and to drop the stick. Jimenez was yelling profanities and did not comply with [REDACTED]'s commands. Jimenez was walking up to the property line of a Pepsi plant when [REDACTED] parked his vehicle and exited with his Taser in hand. Simonzad pulled his car up to them, and Jimenez ran and turned northbound into a narrow dirt path separating the Pepsi plant from the backside of a row of residences. [REDACTED] followed Jimenez and announced to Simonzad that he was armed with a Taser. [REDACTED] could hear Simonzad behind him as they followed Jimenez. Jimenez kept looking back in [REDACTED] direction and then jumped over a cinderblock wall into the backyard of a residence.

Dirt path separating Pepsi plant from residences.

Jimenez entered the backyard of the residence to the right of the utility pole.

Backyard of the residence Jimenez entered.

█████ expected Jimenez to continue running after he jumped the wall, and was surprised to see him stand his ground near the corner, somewhat elevated on what was later discovered to be a mound. Jimenez was approximately 10 feet away from █████ and had a "crazed look" on his face. Jimenez reached down, grabbed what █████ believed to be dirt or a clump of grass, reared back and threw it directly at him like he was "throwing a baseball." █████ turned his head to the left to avoid being blinded by any debris, and as he came back up he saw Jimenez's hand go up again when he heard a gunshot. █████ did not recall actually being struck by anything.

When █████ saw Jimenez stand his ground and face him, █████ was concerned about his safety. █████ believed he was in a position of disadvantage when Jimenez threw something at him because █████ was armed with a Taser, which was useless with the wall separating him from Jimenez, and his duty weapon was holstered. █████ did not believe that he could retreat safely in the confined dirt pathway because he was "stuck" with Simonzad behind him and the utility pole on his other side. █████ did not believe that he would have had time to react to a second object being thrown at him.

After the gunshot, █████ and Simonzad checked on the welfare of each other, and Simonzad stated to █████, "I couldn't let him hit you in the head with that brick or rock." █████ did not remember if Simonzad said brick or rock. █████ did not see Jimenez with a brick or rock when he looked back immediately before the gunshot, but afterward he looked in front of him

and saw a pile of rocks and bricks. [REDACTED] stated, "All of this happened within a span of like a second or two."

#### Statement of Officer Simonzad

Simonzad was also driving a marked police vehicle and dressed in his SFPD police uniform, when he responded to a radio call regarding a man who had assaulted a person at [REDACTED] and was described as being armed with a long and sharp stick.

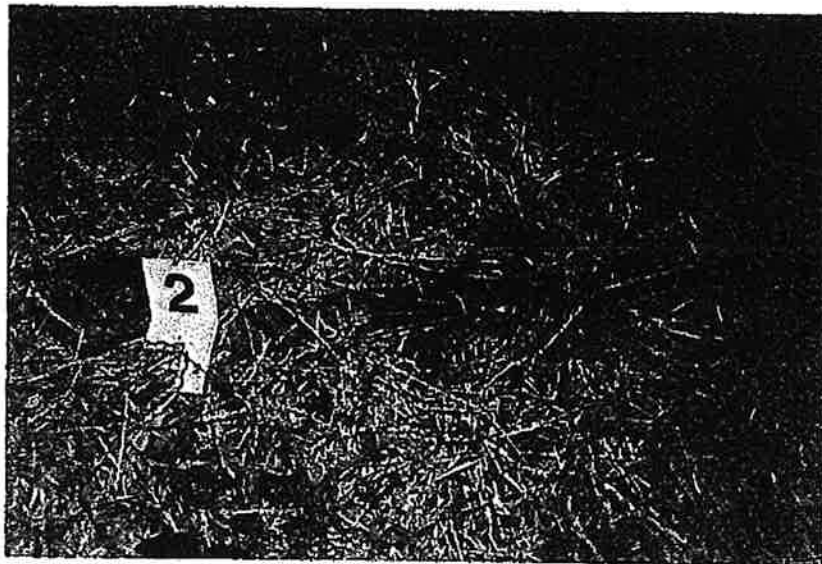

Simonzad parked his vehicle on Dronfield Avenue near [REDACTED] vehicle. Simonzad heard [REDACTED]'s radio transmissions stating that Jimenez was not responding to commands. Simonzad saw [REDACTED] armed with a Taser and Jimenez armed with a sharp wooden stick in his hand. [REDACTED] and Jimenez were approximately five to 10 feet apart from each other. Simonzad saw Jimenez "square up" with [REDACTED] and then run northbound through a narrow dirt pathway. As Jimenez ran, Simonzad saw Jimenez reach down quickly in the pathway and noted rocks and bricks on the ground. He believed that Jimenez either picked up a rock or put something down as he ran. Simonzad heard [REDACTED] giving orders to Jimenez, and saw Jimenez jump a concrete wall approximately five feet high. As [REDACTED] got closer to the wall, Simonzad saw Jimenez stop and could see his head over the wall. Simonzad saw Jimenez reach down toward the ground and throw what he believed was a brick or rock at Chiasson and saw it strike the side of [REDACTED]'s body or head. He saw [REDACTED] react by flinching.

Simonzad stated that he was standing several feet to [REDACTED] right, providing lethal cover for [REDACTED] who was armed with a Taser. Simonzad was concerned that Jimenez could "launch that spear" at him or [REDACTED]. He saw Jimenez appear to pick up an object, and believed it was a rock, brick, or possibly the sharp wooden stick he saw Jimenez holding moments earlier. When he saw Jimenez's arm coming up again "with an object," he believed Jimenez was going to throw something over the wall and hit [REDACTED] or himself in the head. Simonzad fired one round from his service weapon, and then lost sight of Jimenez. Simonzad was unable to give Jimenez any commands because it happened so quickly, and stated he intended to stop [REDACTED] from being stuck again by another object.

#### Other Evidence

Jimenez suffered a gunshot wound to the left shoulder, and survived his injury. In case number 7SV00322, Jimenez was charged with four misdemeanor counts. On August 31, 2017, in a negotiated disposition, Jimenez pled no contest to committing a battery upon Sergeant [REDACTED], in violation of Penal Code section 243(b). The remaining counts, including battery charges against the [REDACTED] employee and the [REDACTED] customer, were dismissed as part of the negotiated disposition.

The wooden stick with a possible blood stain was photographed in the backyard of the residence. Investigators also observed debris in the backyard of the residence, including rocks and bricks.

Wooden stick and debris.

On February 21, 2018, LASD investigators interviewed Jimenez. Jimenez recounted that he was having paranoid hallucinations on the day of the shooting. Jimenez stated he ran from the police, jumped a wall, and threw a "clump of dirt," "not at them, but towards them." Then, he "bent down, [he] looked up" and was shot. Jimenez stated that he dropped the wooden stick after he jumped the concrete wall, and he would ordinarily use the stick to sift through trash to recycle cans and bottles. Jimenez stated he had reviewed reports provided by his public defender indicating that an officer had stated Jimenez threw a "clump of dirt." When asked to rely on his own memory as to what he threw, Jimenez stated he did not have an independent recollection, and also stated, "I'll plead the Fifth on that one." The investigator asked, "What were you reaching for the second time [you bent down]?" Jimenez paused and stated, "I don't have no comment on that."

## LEGAL ANALYSIS

California law permits any person to use deadly force in self-defense or in the defense of others if he actually and reasonably believed that he or others were in imminent danger of great bodily injury or death. CALCRIM No. 3470. In protecting himself or another, a person may use that amount of force which he believes reasonably necessary and which would appear to a reasonable person, in the same or similar circumstances, to be necessary to prevent imminent injury. *Id.* If the person's beliefs were reasonable, the danger does not need to have actually existed. *Id.*

In California, the evaluation of the reasonableness of a police officer's use of deadly force employs a reasonable person acting as a police officer standard, which enables the jury to evaluate the conduct of a reasonable person functioning as a police officer in a stressful situation. *People v. Mehserle* (2012) 206 Cal.App.4th 1125, 1146.

In evaluating whether a police officer's use of deadly force was reasonable in a specific situation, it is helpful to draw guidance from the objective standard of reasonableness adopted in civil

actions alleging Fourth Amendment violations. Under this analysis, "The 'reasonableness' of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than the 20/20 vision of hindsight...The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments—in circumstances that are tense, uncertain, and rapidly evolving—about the amount of force that is necessary in a particular situation." *Graham v. Connor* (1989) 490 U.S. 386, 396-397.

*A deadly or dangerous weapon* is any object, instrument, or weapon that is inherently deadly or dangerous or one that is used in such a way that it is capable of causing and likely to cause death or great bodily injury. CALCRIM No. 3145. If the object is not a weapon as a matter of law and is capable of innocent uses, consider all the surrounding circumstances, including when and where the object was possessed, whether the object was changed from its standard form and any other evidence that indicates whether the object would be used for a dangerous, rather than a harmless, purpose. *Id.*

When [REDACTED] and Simonzad encountered Jimenez, they believed he was the battery suspect they were searching for because he matched the description broadcast through radio communications. [REDACTED] and Simonzad also saw Jimenez armed with a sharp wooden stick that appeared to be a makeshift weapon. Simonzad saw Jimenez ignore [REDACTED] commands to stop and drop the wooden stick, and Simonzad was tasked with providing lethal cover for [REDACTED] who announced that he was armed with a Taser as the foot chase began.

Jimenez ran from uniformed police officers through a narrow dirt pathway neighboring residential houses. As soon as Jimenez jumped a concrete wall into the backyard of one residence, he turned around and threw an unknown object(s) at [REDACTED]. Simonzad saw Jimenez throw something and believed it could be a rock or brick. Immediately after, Simonzad saw Jimenez appear to retrieve another object from the ground, which was littered with debris. As the lethal cover for his partner, Simonzad was concerned about [REDACTED] safety, and he fired his service weapon to prevent Jimenez from throwing another object at [REDACTED]. Simonzad believed this object could be another brick or rock, or the "spear" Jimenez was holding earlier. Under the totality of the circumstances, Simonzad was reasonably concerned that Jimenez was about to assault [REDACTED] with a dangerous weapon and he fired his service weapon to stop the threat. A thrown rock, brick, or sharp wooden stick is capable of causing great bodily injury.

[REDACTED] was surprised when Jimenez turned back toward him after he jumped the concrete wall. [REDACTED] did not utilize his Taser, and believed he would not have been able to avoid another assault by Jimenez because as soon as he turned back toward Jimenez he saw Jimenez's arm up and heard a shot. After Jimenez went down, Simonzad stated to [REDACTED] "I couldn't let him hit you in the head with that brick or rock." Simonzad's statement near the time of the shooting is additional evidence of his actual belief that [REDACTED] was in danger of imminent great bodily injury.

Since the backyard where Jimenez was shot and fell was littered with debris, including the sharp wooden stick, rocks, and bricks, it is unknown what object Jimenez actually had in his hand before Simonzad shot him. Jimenez's evasive responses to investigators did not clarify this

issue. Nevertheless, the totality of the circumstances supports Simonzad's reasonable belief that [REDACTED] was in imminent danger of assault. Jimenez's aggressive and erratic actions prompted a dynamic situation forcing Simonzad to make a split-second judgment regarding the amount of force necessary to prevent the assault.

## **CONCLUSION**

We conclude that Officer Simonzad's use of deadly force was legally justified in defense of Sergeant [REDACTED]. We are closing our file and will take no further action in this matter.
